

Service Animal Policy

Element 11, LLC prohibits bringing a pet (a domestic animal kept for pleasure or companionship) to the Element 11 multi-day event with the exception of service animals for a person with disabilities.

Service Animals

According to the Americans with Disabilities Act (ADA), a service animal is defined as “any dog that has been individually trained to do work or perform tasks for an individual with a disability. The task(s) performed by the dog must be directly related to the person’s disability..”

A person with a disability uses a service animal as an auxiliary aid. In compliance with the ADA, service animals are welcome at Element 11 events. There may be an exception to certain areas.

Participants requesting the admittance of a service animal must contact the Element 11 Board of Directors at serviceanimals@element11.org and sign the policy form. All service animals must be registered with the Ranger department once on playa.

Requirements of service animals and their owners include:

- All animals need to be immunized against rabies and other diseases common to that type of animal. Proof of all current vaccinations is required.
- Animals must wear a rabies vaccination tag.
- All dogs must be licensed per state law.
- Service animals must wear an owner identification tag (which includes the name and phone number of the owner) at all times.
- Animals must be in good health.
- Animals must be on a leash, harness or other type of restraint at all times, unless the owner is unable to retain an animal on leash due to a disability.
- The owner must be in full control of the animal at all times. The care and supervision of the animal is solely the responsibility of the owner.

Reasonable behavior is expected from service animals while at an Element 11 event. The owners of disruptive and aggressive service animals may be asked to leave the event.

Cleanliness of the service animal is mandatory. Consideration of others must be considered when providing maintenance and hygiene of service animals. The owner is expected to clean and dispose of all animal waste.

While Element 11 does allow service animals in the event, it is highly recommended not to bring them. The event is not conducive for the safety and wellbeing of any domesticated animal. There are predators and venomous reptiles that make their home on our playa. There are loud sounds and bright lights that may cause your animal distress.

By acknowledging this document, you agree to abide by the requirements previously mentioned.
